Buenos Aires, September 2 to 4, 2024

Background

Mr. Carlos Gallo, President, INPI of Argentina has requested support from WIPO in organizing a national seminar on technology transfer and IP commercialization for skill development of the national TISC network staff in the country (see attached emails).

Undertaking this event is part of WIPO's efforts to support the development of innovation ecosystems and skills and capacity related to intellectual property management and technology transfer for TISCs.

Objectives

A number of objectives are foreseen to be fulfilled as a result of implementing the event:

- The exercise of concrete IP & TT skills development and capacity building activities within an important technological sector
- Developing awareness and capacity relating to the ability of TISC centers to manage IP value added services in the field of technology transfer and IP commercialization.

It is hereby proposed to organizational arrangements to be sent to the co-organizer.
